FACILITIES MAINTENANCE/CLASS B CDL DRIVER

Full-Time position available for qualified CDL Class B holder for Full-Time Facilities Maintenance, Fleet Maintenance and Driving:

MUST be in possession of a valid IL Class B CDL at the time of interview. Candidates without this requirement need not apply.

Building maintenance including lawn care, general cleaning, lighting, organizing, painting, and other various odd jobs. May be asked to assist our machine tool and electrical technicians with repairs.

Occasionally: load/secure/transport machinery and large machinery components on our flatbed truck throughout Metro-Chicago. Frequently: Pick-up and delivery of vendor/customer orders in our van fleet.

Fork truck experience required. Use and care of forklifts and other material handling devices in our facility.

Vehicle maintenance including tire repairs, oil changes, various repairs when needed. Will also be responsible for emissions testing appointments.

Hours: Monday-Friday 0700-1500. No weekends. Other benefits offered. Salary starts at \$15.00/hour

Call (630)208-8800 or send your inquiry to info@presstechniques.com
